1. Product Overview

- Apron-Style neck enables gown to be placed on and off quickly.
- CPE Gowns are disposable.
- Light blue in color.
- Blood repellent.
- CPE gowns are breathable due to the polypropylene material.
- Protective gown with thumb holes.
- High-level fluid protection.
- Keeps dust, water and chemicals off clothes and skin.
- Thumb loop style wrists keep sleeves from sliding up when putting on gloves.
- Provides protection from common dirt, dust and grime, minor splashes and particulates.
- Made from blue CPE (Chlorinated polyethylene)
- Economic option for disposable gowns.
- Waterproof Isolation Gown
- Durable CPE material.
- One size fits all.
- AAMI Level 1
- CE Approved. Our disposable gowns have been manufactured to EEA standards, and are used by hospitals, medical facilities and health professionals.
