Revision: 08/01/2025

1. Product Overview

Manufactured from non-woven polypropylene, the face and head cover is designed for maximum protection and has a latex-free elastic face and neck opening for comfortable full-head enclosure. The design offers more comfortable eye openings and head-conforming fit. Ideal for clean or food safe work environments, the head cover is soft and breathable for long wear and offers a generous fit for long hair.
